Friday, April 24, 2009

Onondaga Community College
4585 West Seneca Turnpike
Syracuse, NY 13215
www.sunyocc.edu

Can you answer YES to the following questions?

- Is my institution/program able to offer online courses?
- Has my institution/program implemented a course(s) using podcasts or streaming video?
- Is my institution/program responsive to our distance learners' needs?
- Can my institution/program adapt quickly to new technology?

If you answered NO to any of these questions, you should attend this conference. Our speakers and panel of experts will share their knowledge and provide best practices and lessons learned to address the age of technology and implementing a successful distance learning program.

Who should attend this conference?

- Continuing Education Staff
- Faculty & Administrators
- Admissions & Academic Advisors
- College Recruiters
- Instructional Designers

The Association for Continuing Higher Education (ACHE) - Northeast presents a one-day conference entitled **Administration, Technology, and Unlocking the Barriers to Successful Distance Learning.**

This conference will focus on the Administration and Delivery of distance learning. It will provide Administrators, Continuing Education staff, Faculty, and Instructional Designers an opportunity to gain relevant information regarding how to address the ever widening issue of technology and distance learning.

ACHE, the Network of Leaders for Lifelong Learning, believes in "the values of professional development, collegiality, and services," and those values continue to guide their mission. ACHE Northeast region strives to provide quality professional development opportunities to leaders across New York State and Southern Canada.

ACHE and its members welcome the opportunity to serve lifelong learners in their quest for professional development opportunities to advance their need for continuous learning and career advancement.
